PINANCE.

Clause 23.—Royal Warrant granting Pensions to Men of the Ceylon Rifles.

VICTORIA R.

Whereas we deem it expedient to revise the Regulations under which pensions are granted on discharge to the native non-commissioned officers and men of our Cevion Rifle Regiment, Our will and pleasure is that from and after the date of this our Royal Warrant, all Warrants and Regulations relating to the non-effective pay of the said non-commissioned officers and men be cancelled, and that this our Warrant be received as the sole and standing authority in regard to the matters herein treated of:

Provided always that any non-commissioned officer or man enlisted prior to the date of this our Royal Warrant shall, as regards his claim to pension, be entitled to every benefit (not forfeited by misconduct) which he could have claimed under any Warrants or Regulations in force at the time of his enlistment.

[Former Warrant in force, 082-183,]

- 1. The pecuniary benefits attaching to cases of disability shall, as a rule, be limited to disability caused in and by the service; but in cases of soldiers whose service and good conduct, as ascertained at their personal examination by the proper authorities, may appear to give them a claim to some consideration, gratuities or pensions for short periods may be granted, although the disability rendering them unfit to remain in the army may not be distinctly stated in the discharge documents to have been contracted in and by the service.
- 2. Such other special deviations from these general rules as are hereinafter expressed or as may appear advisable may be made by our Secretary of State for War, with whom alone it rests to interpret the true intent and meaning of any passage in this Warrant.
- 3. The amount of pension, as a rule, shall not exceed the rates fixed by this Warrant. Special cases, however, of men whose disabilities shall have increased subsequently to

ARMY CIRCULARS—continued.

their leaving the service, and who shall not have been awarded the maximum rate di pension, may be reconsidered, and the pension previously awarded may be augmented if any peculiar circumstances justify such a proceeding.

PERMANENT PENSIONS. Wounds received in Action.

4. Permanent pensions may be granted according to the following scales to men discharged in consequence of being rendered ineapable of further service by wounds or injuries received in action :-

	,	First Degree.	Second Degree.	Third Degree.
Rank.		Men tosing two Limbs or both Eyes, from Wounds; or being so severely Wounded as to be totally incapable of earning a livelihood, and to require the assistance and care of some other person.	Men readered inca- pable by Wouds of earning a livelihood, but not requiring the aid of another person.	Men able to contribute towards earning a livelihood, although rendered by Wounds unfit for the ordinary duties of a Soldier.
